

Multiblock® is a scrim reinforced, multi-layered, coated and laminated polypropylene (PP) fabric primarily designed as a full light block fabric primarily for poultry curtains.

Made from premium UV-stabilised materials, Multiblock® 425 is the market leader with proven performance in harsh weather conditions. The specialised multi-layer coating and laminated fabric reduces light in situations where poultry and livestock are kept.

Multiblock® is coated in GALE Pacific's Australian factory utilising our proprietary 3-layer, single pass coating and lamination process.

- Black multi-filament scrim with special laminate results in a very effective black-out fabric
- Multi-layer coating provides a high degree of water proofing
- Very good weld strength ensures high performance
- UV-stabilised base fabric, coating and film layers provide a long service life
- 5 year warranty against UV degradation

Applications

- Poultry curtains
- Piggery shelter
